Simulateur pour un distributeur de billet de train

Enseignants : Mr Mens et Mr Hauweele
Année Scolaire 2017-2018

Fenêtre de configuration :

The screenshot shows a window titled "Fenêtre de configuration" with standard Windows window controls (minimize, maximize, close). The main content area has the heading "Choisissez vos composants optionnels :". Below this, there are two sections of radio button options. The first section, "Clavier et écran :", has three options: "Clavier et écran tactile" (selected), "Clavier et écran non tactile", and "Ecran tactile uniquement". The second section, "Fentes à monnaie :", has three options: "Fentes à pièces et à billets" (selected), "Fente à pièce uniquement", and "Aucune fente". Below these is a checkbox labeled "Scanneur de codes", which is currently unchecked. In the bottom right corner, there is a blue button labeled "Valider".

Fenêtre de configuration :

The screenshot shows a window titled "Fenêtre de simulation" with standard Windows window controls. It has two tabs: "Pannes" and "Composants optionnels", with "Composants optionnels" currently selected. The main area is a light blue rectangle representing a screen, with a button labeled "0 - Démarrer" in the center. To the left of the screen is a coin slot interface with a vertical coin slot and several buttons for coin denominations: 5 €, 10 €, 20 €, 50 €, 2 €, 1 ct, 2 cts, 1 €, 5 cts, 50 cts, 10 cts, and 20 cts. To the right of the screen is a numeric keypad with buttons for digits 1-9, 0, and "OK", along with "EFF." (erase) and "Insérer carte" (insert card) buttons. Below the screen is a virtual keyboard with buttons for letters A-Z, numbers 1-0, "W", "X", "C", "V", "B", "N", "EFFACER" (delete), and "ESPACE" (space). At the very bottom of the window is a solid black horizontal bar.
